## **DETAILED ACTION**

### ***Response to Communication(s)***

1. This office action is in response to the Amendment/Arguments filed on April 19<sup>th</sup>, 2011. Claims 1-31 are now pending in the application.

### ***Response to Amendment/Arguments***

2. Applicant's amendment/arguments filed on 04/19/2011, are acknowledged and have been fully considered. The 35 U.S.C. 101 rejection to claims 11-20 have been withdrawn in light of applicant's amendment.

### ***Allowable Subject Matter***

3. Claims 1-31 are allowed. The following is a statement of reasons for the indication of allowable subject matter:

The outstanding response filed 04/19/11 has placed the instant application in a favorable condition for allowance. Thus, the prior art of record, considered individually or in combination, fails to fairly show or suggest the claimed non-transitory computer-readable storage medium (claim 11) for controlling transfer of media content in a communication network, comprising, among other limitations, a novel and unobvious limitation of *“receiving an input specifying at least one media file for transfer via a communication channel in the communication network; subsequent to said receiving, causing a display of a plurality of quality of service options corresponding to said at least one media file for selection by a remote user; and receiving a*

*quality of service selection specifying at least one of said plurality of quality of service options; and subsequent to said receiving of said quality of service selection, transferring said at least one media file via said communication channel utilizing said quality of service selection.”*

structurally and functionally interconnected with other limitations in a manner as recited in claims 12-20.

Claims 1-10 and 21-31 are allowed as indicated in the previous office action sent on 02/15/2011.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
